# Tigers Over Wildcats, 22-0

Homecoming 1974 began Oct. 16 with the building of the first of two bonfires. After it was rebuilt, the Homecoming festivities began with the band leading the Snake Dance. The band was followed by the Art Club float which served as the carriage for the three queen candidates. Coach Hand's football squad preceded the JV cheerleaders who led the snake dance itself.

Arriving at the already burning bonfire, Captain Robert Lee tossed a Salem dummy into the flames. A pep rally was then organized at the east bleachers and cheers and speeches from members of the team were heard.

The band got things off on the right track Friday morning by marching through the ERHS halls. Later at the pep session a suspenseful crowd awaited the crowning of our Homecoming queen. After Roger Cammon announced the three senior candidates, reigning queen Susan Linder and Greg Voyles crowned Sue Herrin the queen for 1974. Sue then reigned over the remaining Homecoming events.

The big event of the day was the football game, of course, which featured the Salem Wildcats and the Tigers. Also a special feature was having both the Salem and Olney bands perform during the halftime ceremonies. The Tigers whipped the

Wildcats 22 to zip and thus secured the proper atmosphere for the dance to follow. The Homecoming Dance featured the Spoonriver Band and was the topping to the cake as far as Homecoming '74 goes.

## Tim Kraft and Luke Robins — MC's for Pow Wow

The 1975 Pow Wow might possibly have been one of the best all-around to date. Pow Wow '75 featured one of the finest Variety Shows ever staged and a dance afterwards presented by "Faustus."

Tim Kraft and Luke Robins were master of ceremonies and tied the Variety Show together with their wit and talent. The Variety Show was exactly that, an hour and a half production of comedy, song, dance, and serious readings.

The big event of the evening came at ten o'clock when the coronation ceremonies began. The two candidates from each of their respective class were announced: Cindy LaFary and Dee Dee Parnell, freshman class; Sheryl Brown and Valerie Hatch, sophomore class; Darlene Brown and Kathy Tyner, junior class; Darva Jones and Janice Stout, senior class. And then Roger Cammon, senior class president, promptly announced, "And your 1975 Pow Wow Queen is Miss Darlene Brown!" Darlene reigned over the remaining festivities of the evening. The entire evening was an unforgettable moment in one's high school years.

# Nat'l Honor Society — A Prestigious Group

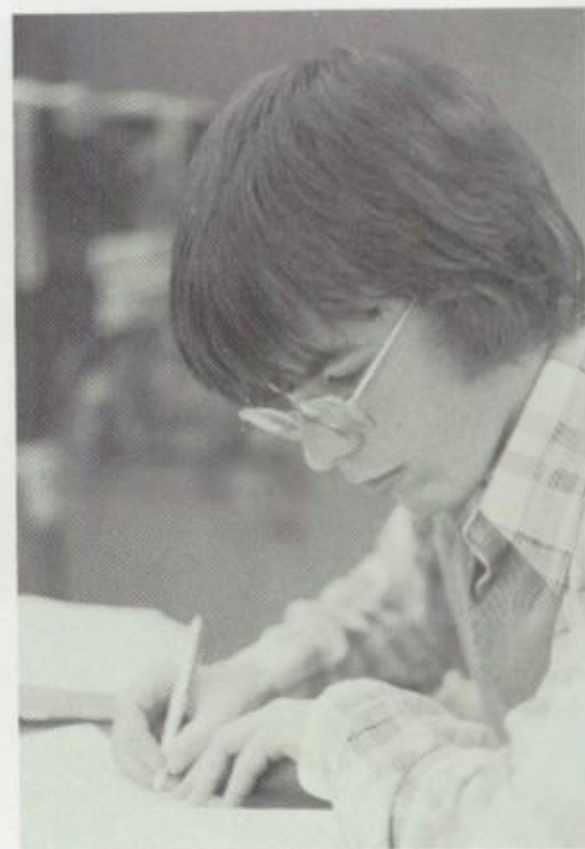

Only a small percentage of the senior class make up this prestigious and coveted group. This fact just adds to the honor that is bestowed on its members.

During the junior year, students and faculty select probationary members. The students are chosen on the basis of scholarship, leadership, character, and service.

The National Honor Society is in its 42nd year at ERHS and remains to be an esteemed position for all seniors chosen.

NHS member Dave Mastio has been active in band all four years.

John Kermicle knows scholastic achievement is important for a NHS member.

Mr. Provines and Student Council President Greg Voyles discuss the agenda for the next student council meeting.

The 1974-75 ERHS Student Council was directed by Greg Voyles, president. Doug Nicholson served as vice president and Kathy Tyner was secretary. Mr. Provines and Mr. Sibley were sponsors of the council.

The council, as always, supervised student activities such as Homecoming, Pow Wow, May Day, the assemblies, and other. The council consists of club representatives, two representatives from each class and the class presidents.

# Speech teams do well at contests

The Speech Club is headed by Mr. Walters and Miss Guinn and proposes to further the interest of students in public speaking. The club accomplishes its goal through presentation of skits and attending numerous speech contests.

This years officers were Larry Zuber, president; Lisa Gallagher, vice-president; Marcia Graves, secretary-treasurer; John Kermicle, student council representative; Mr. Walters and Miss Guinn, advisors.

The Tiger Rag is published monthly by, for, and about ERHS students. The paper is financed by the sale of ads and subscriptions and is printed by the Olney Daily Mail. The tabloid format is used, and each issue contains eight pages.

Most of the work is done by the students in the three journalism classes. However, any student in the high school is invited to become a member of the newspaper staff. Membership on the Tiger Rag staff offers the student an experience in writing, editing, and making up the pages of a newspaper. It also affords an insight into the operation of a successful business venture.

Preparation for the OLNEAN started in June 1974 when Judy Ginder and Kim Weber, co-editors, spent two weeks at a workshop at Indiana University. The editors learned the basics of putting together a successful yearbook. The OLNEAN was printed by a new company this year, Josten's American Co., which was represented by Tom Cocagne. Advisors were also new this year with Mr. Hinkel and Mr. Murray joining the staff for the first time.

The OLNEAN staff started ad sales in August and were very successful in this department. The rest of the year was spent in trying to get pictures, copy, and material for a good yearbook. The staff spent many long hours trying to make deadlines in the hope that everyone who purchased a yearbook would appreciate it.

The camera catches OLNEAN advisor, Mr. Hinkel, saying "howdy."

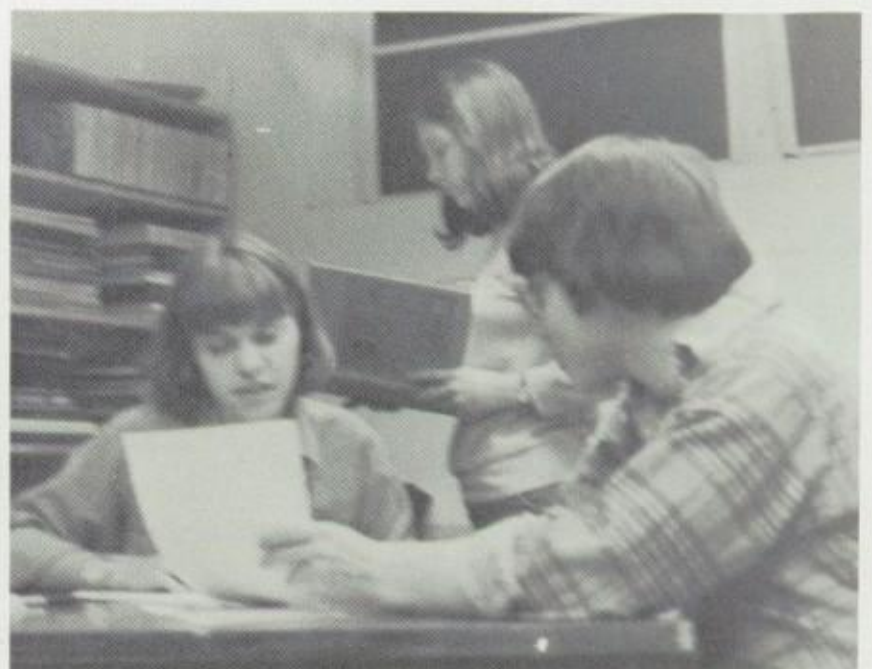

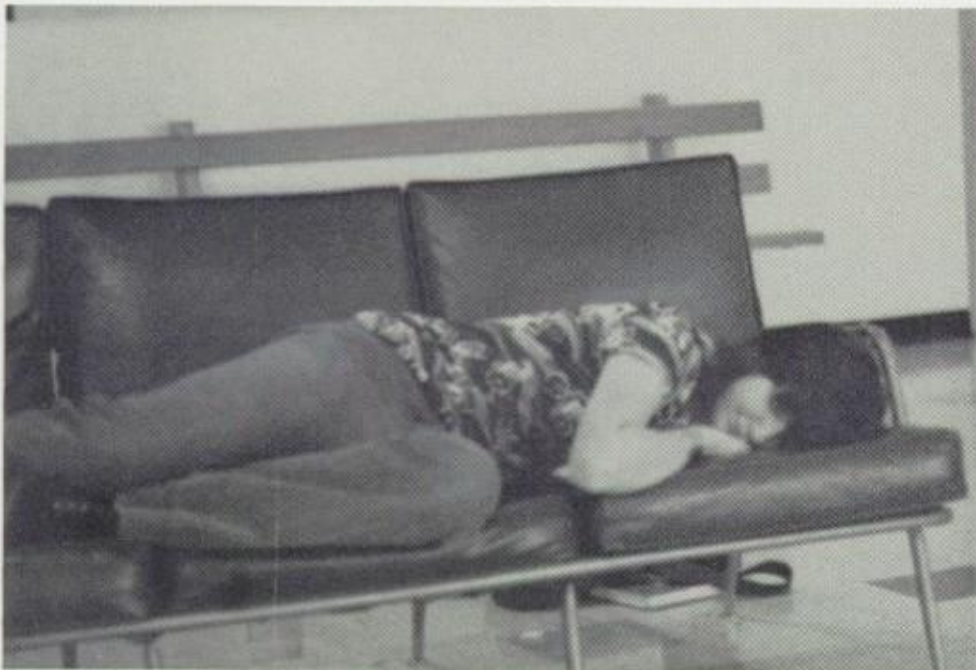

Photographer Alex Knox fills out his agenda for picture taking.

The 1974-75 "O" Club was an active group and possibly the most controversial at ERHS. The talk about argument came over the question of admission of girl letter earners into the elite athletic organization. As the lady athletes later found out, it takes more than a block "O" to get into the club!

After the following officers were chosen; Roger Cammon, pres; Dave Mastio, vice pres; Brad Patterson, sec; Kyle Harper, treasurer; Jim Lynch, student council; Robert Lee, sergeant of arms; and Tony Phelps, reporter; the club began planning activities.

The "O" Club traveled to St. Louis one snowy December Sunday to watch the Big Red play the Kansas City Chiefs. The club raised money to sponsor the trip through the sale of advertisement for the State Babe Ruth Tournament. With the success of this a spring trip was planned.

There's a mad scramble for a loose ball.

GAA, girl's athletic association, meets every Tuesday after school and has different activities. The activities include softball, speed-a-way, volleyball, basketball, badminton, tennis, and tumbling. This year they had an activity day where they played basketball with a team from Red Hills. At the end of the year they had a dinner for the members funded by the girls who worked selling drinks and candy at the basketball games and track meets.

Officers for the 1974-75 school year were Shirley Sloan, president; Pam Fritschle, vice-president; Dawn Sager, secretary-treasurer; Susan Sloan, student council representative; Mrs. Myers, advisor.

The ERHS Pep Club like the other years before has promoted school spirit in such ways as to hang booster signs in the hallways, put on skits in pep sessions and this year they put on an act for the Pow Wow Variety Show.

To promote school spirit, besides going to games and cheering the Tigers on, the Pep Club had Tiger T-shirts on sale. One of the Pep Clubs money making projects was selling daisies.

Officers for the 1974-75 school year were Merideth Mastio, pres.; Mary Pat Gassmann, vice-pres.; Kay Cammon, sec.-treas.; Tammy Berger, student council representative, Mrs. Murray and Mrs Walker, advisors.

FBLA, affiliated with the National and State Associations, is open to any student enrolled in a business class. Year dues are \$2.00.

Members earn points by attending meetings; by working on committees; by selling money-making projects; by taking field trips; and by serving as a local, area or state officer. The main goal is to acquaint the students of ERHS with the business area in which they live and will someday hold jobs.

This year, in addition to money making projects and social programs, the club conducted a successful drive for used Toys for Christmas. The toys were donated to four Day Schools in Olney and 18 different individual children.

# FTA In Micro-Teaching Project

Future Teachers of America is the club for students contemplating possible teaching careers. This year the FTA was involved in a Micro-Teaching Project. This involves the members going to the junior high and various grade schools for observation and actual teaching experience. The FTA also had a Christmas party, end of year party, and visited a Board of Education meeting. Money making projects included "Apple Caper", and Pow Wow skits. One of ERHS's more active clubs, FTA meets twice a month after school.

Officers of the 1974-75 school year were Jim Duke, pres.; John Abegglen, vice-pres.; Tammy Perry, sec.; Randy Smith, treas.; Doyle Roth, student council; Mrs. Fletcher, advisor.

FTA members hold an informal meeting after school in the classatorium lobby.

A new project for the FHA girls this year was to sell cookbooks. They also had their usual other money making projects such as the selling of Tom Watt Kits and serving at banquets. National FHA Week was observed Feb. 9 thru 15 this year. Officer and committee meetings were held on the first Wed. of each month, group meetings were held the second Wed. of each month, and the third Mon. of the month was reserved for special meetings and activities. FHA is affiliated on a section, state, and national level.

Officers for the 1974-75 school year were Marsha Reed, pres.; Edna Clodfelter, vice-pres.; Terri Miller, sec.-treas.; Sherry Rennie, public relations; Lisa Bradham, parliamentarian; Karen Spillman, student council; Miss Ridgely, Mrs. Claxton, and Mrs. Hough, advisors.

FHA girls find meetings can be humorous as well as informative.

## T And I Provides Funds For New Equipment

Most of the T and I meetings are devoted to actual shop work.

This years club made a continuing effort to help the T and I teachers and school administration in the improvement of our school technical programs. They did so by providing funds for the purchase of several new pieces of equipment for the T and I department, and also by promoting the T and I program at an open house designed to orientate freshmen and their parents to high school. The club met regularly on the first and third Monday nights of each month, with the meetings mostly devoted to group and individual work in the six areas of the T and I shop. Some recreational meetings were also scheduled in the gym or closed deck.

The T and I Club was headed up by the following officers: Brett Fehrenbacher, pres. and student council representative; Chester Kocher, vice-pres.; Tony Rubsam, sec.-treas.; Mr. McCormick, Mr. Munson, and Mr. Shull, advisors.

Artistically inclined students make up the Art Club here at ERHS. The members of the club showed off their talents on the Homecoming float and various other projects. Mrs. Stout is the sponsor for the Art Club, which meets on the first Tuesday of every month.

Officers for the 1974-75 school year were Kevin Dowden, president; Roberta Gallagher, vice-president; Sue Hahn, secretary-treasurer; Lisa Gallagher, student council representative; Mrs. Stout, advisor.

Artistic talent shows up everywhere in the art room.

Mr. Cartmill and Latin Club members talk over club problems.

Latin is certainly not dead here at ERHS! Mr. Cartmill, Latin instructor, is the sponsor of the newly organized Latin Club. Officers are Norma Zwilling and Bill Barlow, co-pres.; Steve Welker, vice-pres.; Jane Blank, sec.; Susan Chaplin, treas.; Sue Herrin, student council rep.

The club's big week was April 21 thru 27, National Latin Week, of course. All sorts of interesting Roman customs were carried out during this period by the over thirty member club. This year's participants in the state Latin Contest were Nancy Coons, Dan Cummins, Don Runyon, Zean Gassmann, Dan Zwilling, and Mark Edwards. The contestants tackled a tough two and a half hour test in the District Contest on March 1. If Latin was dead, Mr. Cartmill and the Latin Club are doing their part to revive it!

The French Club is open to any student who is taking or has taken French. The purpose is for the club members to become acquainted with French culture through various activities. Some of the activities were a cheese-tasting party, French food tasting party, and a scavenger hunt. At the Christmas party the club went caroling in French and afterwards had French refreshments. At the end of the school year the club had their annual banquet. Money for these activities came from Pow Wow skits and other fund-raising projects.

The sponsor of the French Club was Mademoiselle Price. Officers were Jim Kapper, pres.; Ramona Nix, vice-pres.; Julie Pottoroff, sec.; David Hyde, treas.; and Trudy Ginder, student council representative.

French Club members discuss their next party with Miss Price.

## Harriers Win District Championship

For the first time in the existence of cross country as an NEC sport, the Tigers did not win the Conference crown. The Red Hill Salukis won the meet over Harriers by a single point. The JV came through with a championship though, as they ran away with the NEC.

Looking to next year the future looks bright despite graduation of MVP Terry Bussard, Ken Beabout, Ray Vaughn, Greg Williams and Louis Gassmann. Perry Sager, Mark Hahn, Mike Pampe and Dennis Sager, co-captains for 1975, and George Gassmann make the nucleus of a strong squad in '75. These five will be pushed by four up-and-coming JV runners, Zean Gassmann, Sam Lynch, Rod Miller, and Darrell Hundley.

All in all the '74 year

could be labeled very successful with Coach Chambers' second year in '75 looking even better.

With a new coach and three of the South's top runners gone with graduation, the 1974 Olney Harriers turned in a very successful rebuilding year.

Coach Larry Chambers was forced to turn to youth with Rick Litherland, Dave Berry, and Doug Berry gone, and the Tigers certainly came through. The squad won the District championship, compiled a dual record of 9 and 2, and finished second in four different invitational meets; Cumberland, Effingham, Benton, and Red Hill.

The Harriers only dual losses were at the hands of two powerhouses, Centralia and Vincennes Lincoln. Centralia is always tough and

this year they captured the Sectional Championship. The Links from Vincennes are a perennial Indiana power and they nosed out the Tigers 29-28 in that contest.

The Harriers season got off to a staggering start as Captain Ken Beabout and Terry Bussard both received injuries. The Tigers depended on freshman surprise Perry Sager and sophomore Mark Hahn for good showings early in the year. As the season progressed, Terry returned from the injury list and first year men Mike Pampe and Louis Gassmann really came on, along with Greg Williams. This teamed with consistent showings from Denny Sager, Ray Vaughn, and soph. George Gassmann formed one of the most balanced squads in the South.

Ray Vaughn knows that stamina and determination are very important in cross country running.

Greg Williams is neck and neck with a Herrin runner as many Olney fans look on.

Dennis Sager and teammates spend many long hours in practice.

Freshman Perry Sager turned in many fine finishes for the cross country team this year.

Quintin Scott hands off to Robert Lee while the offensive line gets some good blocks.

The 1974 Tiger football squad didn't set Southern Illinois on fire, but the team did come up with a few surprises.

The Olneans were picked by pre-season polls in the lower echelon of the eight-team North Egypt Conference. When the smoke cleared from the race, we found a three-way tie for the title with Mt. Carmel, Lawrenceville, and Flora; and our Tigers following in fourth. The Tigers finished with a 3 and 4 conference record and 3 and 6 overall.

The season began as the Tigers took the field against the Newton Eagles at Newton. The Eagles triple-threat offense bewildered the Tigers and the Eagles won this rivalry 19 to zip. The Newton game was to be an omen of the next three Friday nights. The following game had the highly touted Trojans of Charleston facing the Tigers. "Chuck" town squeaked by with a 14-0 victory. As conference play opened, the Tigers dropped successive games to Fairfield 8-6, and to the Lawrenceville Indians 22-0.

On October 4 the Tigers broke that dreadful losing streak by conquering the Carmi Bulldogs 14-0. In the process the Tigers captured the Shriners trophy to put their second leg on the trophy. The Tigers then

traveled to Red Hill and nosed out the Salukis after mounting a big lead, 17-14.

October 18 - Homecoming '74 - Olney vs. Salem--the highlight of the 1974 season. The Wildcats were having a disappointing season after being the preseason favorite to take the conference crown. The Tigers were 2 and 4 and had a two game winning streak. It could have been the spirit at school during the day, or the homecoming crowd, or something Coach Hand or Captain Robert Lee said, but whatever the case may be, something ignited a fire under the Tigers. The Olneans had full control of the game and destroyed the potentially strong Wildcats, 22-0.

The Tigers then faced two of the teams that tied for the conference title. First, the Aces of Mt. Carmel. The Tigers held the Aces in check through three stanzas despite a few breaks going the other way. The Aces proved they were real champions in the final quarter and held on to a 22-13 win. The seasons finale pitted the Wolf Pac against the Tigers. The Tigers were seeking revenge from a 72-15 romping in '73. The fighting Tigers are still seeking revenge as they dropped this on to Flora 22-0.

There were some bright spots as the season drew to a close as six Olney Tigers received some type of mention in the NEC picks.

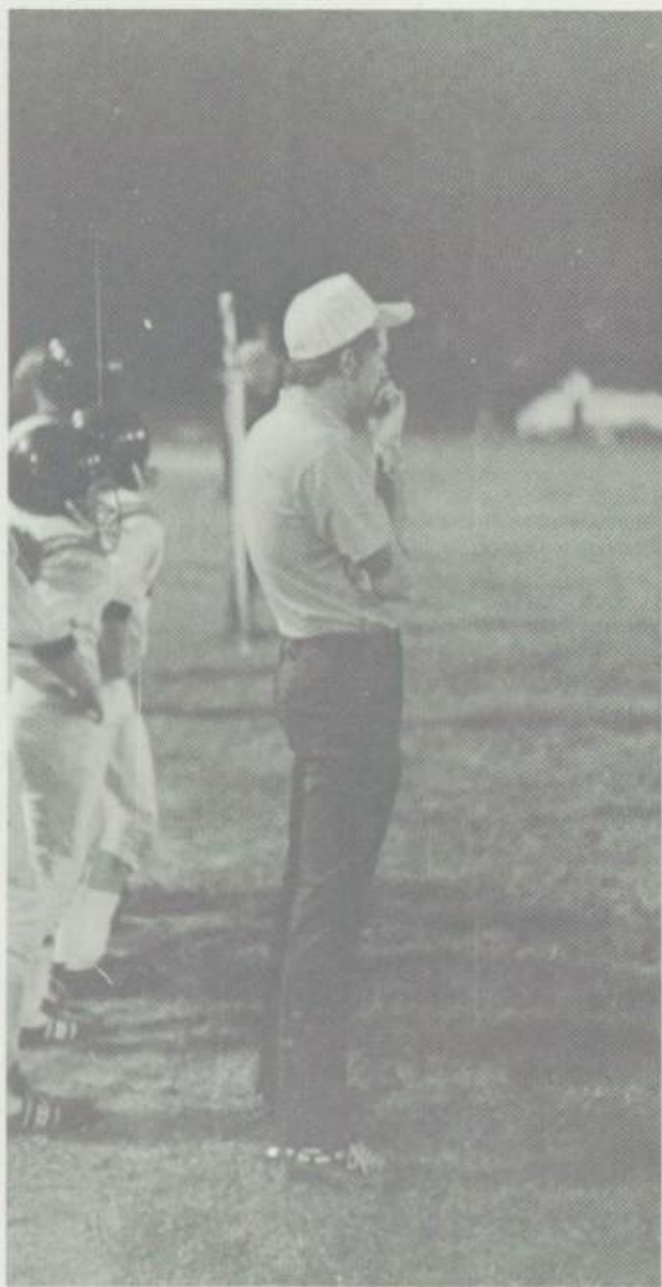

Robert Lee, Mr. Do-It-All, received unanimous selection on both offensive and defensive squads. Captain Robert was picked for his performance in the backfield on offense and as a linebacker on defense. Dave Mastio was picked on the defensive squad as a safety. Doug Tucker was tabbed for his fine performance as wide receiver. Also picked on the first team was Chipper Barche for his toe that punted all season long for a fine average. Lynn Riggs and Jim Petty received special mention by the sportswriters of the NEC. All in all the Olney Tigers and Coach Hand turned in another fine season.

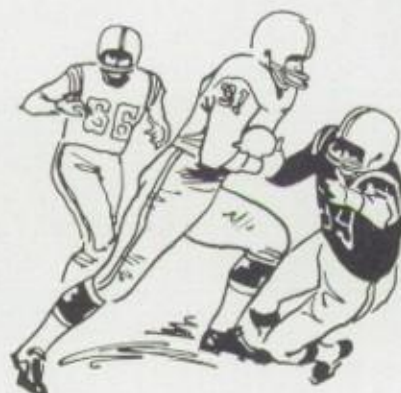

Mike Chaplin (24) makes another fine run for the Tigers. Olney's number 22 is Eddy Griffith.

Coach Corn appears concerned while watching his freshman team.

Coach Hand makes sure everyone knows the play.

The 1975 Olney Tiger roundballers will carry with them the distinction of being the first Olney basketball squad since 1942 to go to the super-sectional level of the state tournament.

Being a member of the "Sweet Sixteen" has been an honor that has escaped Tiger basketball teams for some 33 years. Coach Ron Herrin and Company put an end to this drought at the same time gaining the head mentor's first sectional trophy.

The Orange Machine compiled an over-all season mark of 23-6 and collected four beautiful pieces of hardware en route. The year was not without its hills and valleys, though.

After being tabbed as the North Egypt Conference favorites and gaining an easy win over the Newton Eagles in the season opener, the Tigers traveled to the tepee in Lawrenceville. On his own stomping grounds, junior, all-stater Jay Shidler opened fire on our locals. Shidler, spotted as a one-man crew, had quite a supporting cast on this particular evening. The Indians prevailed in convincing fashion, 81-65.

The Tigers rebounded with four wins and entered the Effingham Holiday Classic by adding another win over the Bulldogs from Effingham St. Anthony. In the semis top seeded Mt. Zion halted the Olneans title hopes in overtime, 94-91. Our 'Machine' wasted no time in getting back on track as the Tigers whipped the tournament hosts 101-86 and brought home a very respectable third place trophy.

Once again the Tigers racked up what seems to be an unlucky five straight victories before journeying to Carmi on January 17. The Bulldogs and Tigers both had hopes of knocking Lawrenceville out of the driver's seat and this contest was very important. Carmi upended the locals 65-56 in the hostile atmosphere of their own gym. In the meantime Fairfield had just upset Lawrenceville and the NEC title was up for grabs.

Taking a break from the hectic conference race, the Tigers traveled to the Benton Invitational Tourney. The hometown squad handled Pinckneyville in the first round and surprisingly enough ousted the Alton Redbirds, 86-64. The Redbirds were the highly touted squad from the eastside of the state and the number two seed in the tournament.

The Tigers were in the finals against the state-ranked hosts, the Benton Rangers, but more surrounded this game that what meets the surface. The final pitted the Herrin brothers against each other for the first time in 17 years. (Yes, this was a year of many FIRSTS.)

Rich showed no brotherly ties as his Rangers romped to an 85-63 title win. As Coach Herrin entered the

solemn dressing room the words that he uttered seemed unrealistic at the time, "OK boys, get your heads up... we can get another shot at '3m, when we win our regional." Now we all know these were not just hopes.

Back to the NEC, and the Tigers edged the Indians 72-69 by shutting off Shidler in the second half. The Tigers remained tied for the conference crown with three easy victories over Flora, Mt. Carmel, and Salem. February 15 put an end to the Tigers hopes as they hosted the spoilers from Carmi. Carmi had all but been eliminated on the previous night when the Indians edged the Bulldogs 48-41. The Bulldogs were indeed spoilers as they displayed fantastic play in all areas. The final, 88-62. With the loss went some of our hopes for post-season success. The Tigers closed the regular season at 19 and 5 with wins over Red Hill and Fairfield.

The Tigers received a big boost before even stepping on the court in regional play when the Golden Aces from Mt. Carmel upset the Lawrenceville Indians. The way seemed clear for a regional championship.

Then the Tigers were close, oh so close, to becoming victims of upset themselves. Down by 17 points at half and by 3 with only thirteen seconds remaining, the Olneans took the game into a three minute overtime and gained a berth in the finals, 68-64. The finals was anti-climatic compared to this spectacular 35 minutes of play.

The Tigers became Regional Champs for the third time in four years and gained a shot at Rich Herrin's Rangers at West Frankfort in sectional play. The Olneans had never won a sectional game on the floor of the West Frankfort gymnasium. This game was another first. The Tigers were unreal! From the opening tip the game was controlled by our boys in the orange. The number sixth ranked team in the state fell to a hungry bunch of Olney boys 76-64 and the basketball world was amazed. The Tigers had bucked all odds and found their way into sectional finals. Once again the final was somewhat of a let down. The Tigers prevailed over the surprising Effingham Hearts 84-75.

Then came another celebration! The whole town was at West Frankfort and bedlam broke out with buzzer. The Olney Tigers were in the Sweet Sixteen!

The celebration continued as a four mile, 150 car caravan brought the Tigers home from Salem. At home a pep session was held before a crowd of around 1,500 fans at 11:45 p.m. At this time the members of this elite group spoke and Coach Herrin, still damp from his celebration shower, thanked all those respon-

sible. The town remained in mass hysteria through the following Tuesday when the 'town heroes' traveled to the SIU Areas to face a towering East St. Louis ball club.

With a front line of 6'5", 6'7", and 6'5" the Flyers were a tough nut to crack. The Olneans played on even terms in three of the eight minute stanzas, but in the second quarter the Flyers 'flew.'

The Tigers ended the most successful b'ball campaign from Olney in years at the Area. Flyers 89, Olney 77.

The following morning the City Council passed a resolution making March 19 thru March 23, "Tiger Days." The presentation was made by Mayor Carter to all the team members, coaches, and cheerleaders before a huge crowd of 1,700 students, parents, and Tigers boosters. At this presentation Coach Herrin once again overflowed with thank you's. The rally relieved some of the disappointment carried over from the night before.

The Tigers of 1975 will leave behind them memories of great basketball experiences. This squad left six trophies to the school to help them remember and it should be noted this is more than any other squad.

As individuals the Tigers picked up loads of honors, broke many records, and turned the entire town on with their excitement.

First on the list would have to be the coveted honor bestowed on Terry Bussard by the Decatur Herald and Review. This central Illinois newspaper tabbed Terry as "Player of the Year" in the area. This is an even greater honor when you consider the caliber of the players considered for the award.

The following summarizes the respective players awards and records broken:

**TERRY BUZZARD:** Player of the Area (Decatur Herald and Review); All NEC First Team; Effingham Holiday Classic Team; Benton Invitational Tourney First Team; All-State Honorable Mention (Associated Press); Season Scoring Record; Season Scoring Average; Season Field Goal Average; Top Ten Tiger Scorers.

**TONY PHELPS:** All NEC First Team; Effingham Holiday Classic Team; Benton Invitational Tourney Honorable Mention Team; Top Ten Tiger Scorers; Top Ten Tiger Rebounders.

**KYLE HARPER:** All NEC Honorable Mention; Benton Invitational Tourney Second Team; Top Ten Tiger Rebounders.

**LARRY BUSSARD:** All NEC Honorable Mention; Career Assist Leader.

**ROBERT LEE:** Top Ten Tiger Rebounders.

# Girls Continue To Be Women Libbers

The 1974 Olney Girls Tennis Team did it again as the womens libbers turned in a 11 and 1 dual meet record and won the District title in only their second year of existence. This squad was made up of eight returning letterwomen plus four newcomers.

Coach Schmalhausen was quoted early in the season as saying the teams goals were "Winning and going to state." In an after the season interview the coach stated that she was extremely well pleased with the girls performance and is looking forward to a successful season next year.

Well over twenty girls tried out for the team, 12 of which made up the squad. Determining the team was made by using a pyramid system and challenging.

Valerie Hatch and freshman Julie Kurtz shared the number one position throughout the season. The two girls combined for a remarkable 22-2

won-loss record in dual meets. Mary Pat Gassmann provided a strong number three player for the squad. Merideth Mastio, Becky Tolbert and Jane Hahn rounded out singles positions at four, five, and six, respectively.

Terri Seely and Sally Borah headed the doubles teams at the number one spot. Terry and Sally totaled a 9-3 record. Ellen Carson and Julie Blank played at the number two spot while Martha Carson and Susie Schmalhausen anchored squad at the number three position.

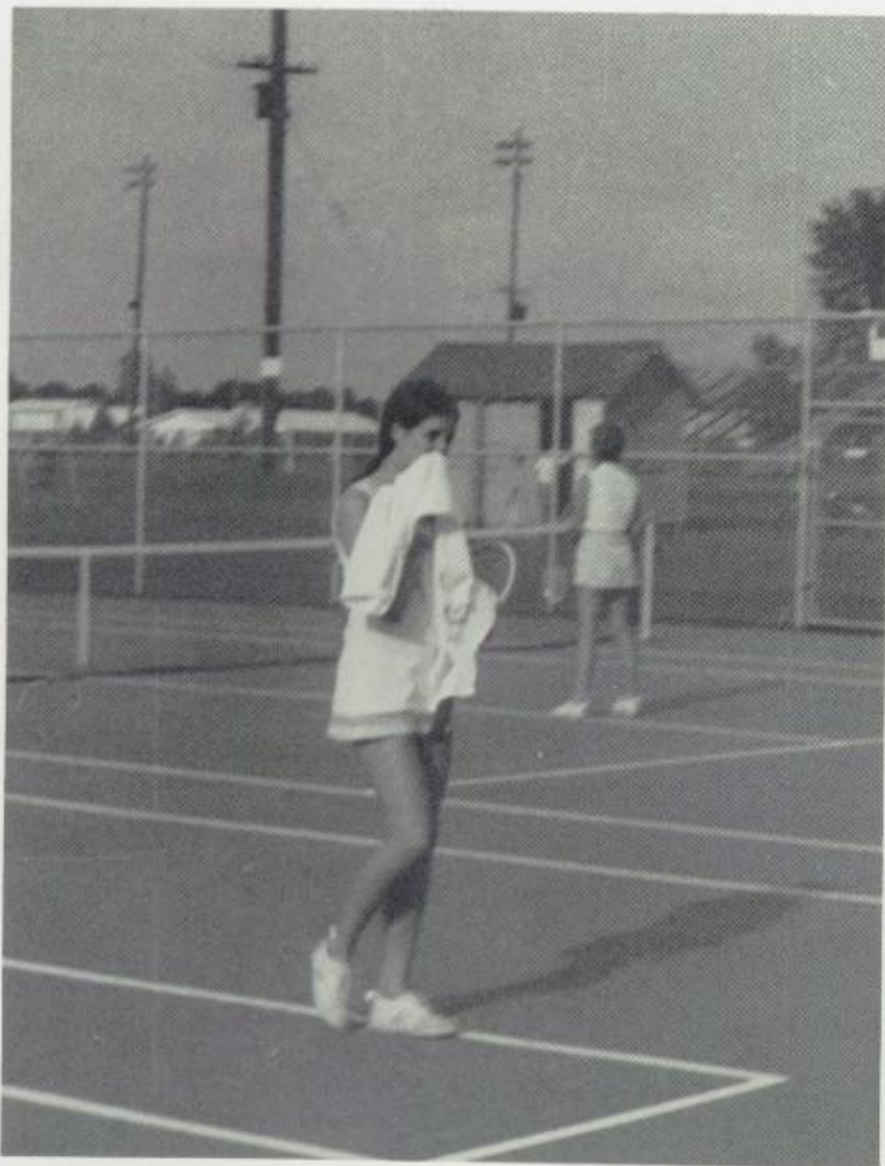

This year these girls claimed double wins over Flora, Salem, Newton, Fairfield, and Teutopolis. The netwomen also split victories with a strong team from Centralia.

The highlight of the year came on Oct. 19 as the squad traveled to Vandalia for the district contest. The entrants for the Tiger's squad were: Valerie Hatch and Julie Kurtz in singles, and Terri Seely, Sally Borah,

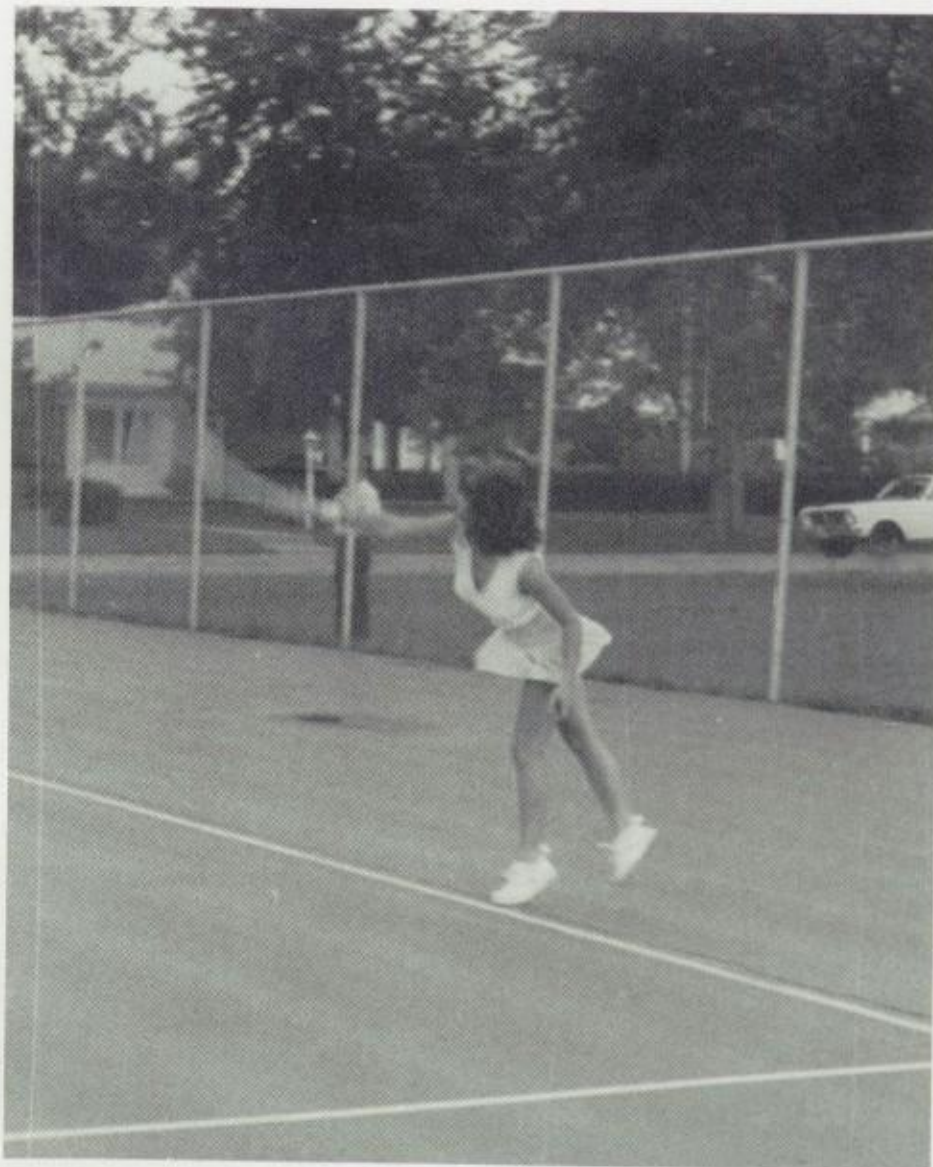

Jane Hahn, and Mary Pat Gassmann in doubles. All six girls fared very well in the preliminary to the state contest.

In the singles final Valerie, the defending champ, faced teammate Julie. Valerie made it two for two as she beat Julie in a very close, well played match. In doubles, a pair from T'town proved to be the spoilers as they ousted Mary Pat and Jane in the first round and went on to win the title over Terri and Sally in three sets.

On the following weekend Valerie, Julie, Terri, and Sally accompanied by Coach Schmalhausen traveled to Arlington Heights for the State Meet. All four girls fell in the first round to tough competition. With two district finalists returning plus five other returning letterwomen back, the Tiger Tennis squad for next fall will be tough as ever!

# Golf becomes Fall sport

The 1974 Olney Tigers Golf Team comprised a 5-4-3 record. Tiger golfers started official practice with Coach Redman in late August. There were six returning lettermen who helped make the 1974 season a winning one.

According to Coach Redman, there were twelve players who could score in the top five on any given day. Coach Redman felt that James Weber was probably the most consistent scorer on the team. When asked who he thought was the toughest competition, the golf coach replied, "They were all tough, but Mt. Carmel and Carmi were the toughest."

In the NEC match held here in Olney, the team placed fourth in a field of eight. The Tigers placed eighth in the district. Joe Kralis was low scorer in both matches.

The Frosh-Soph team won the Newton Invitational. Bill Thorton was low scorer for the Tigers. The future looks bright with many promising players returning.

The East Richland Board of Education: Neil Bemont, Kenneth Negley, Lester Sterchi, Edward Cooper, Harry Hillis, Warren Jenson, Carl Berger, and W. H. Birch.

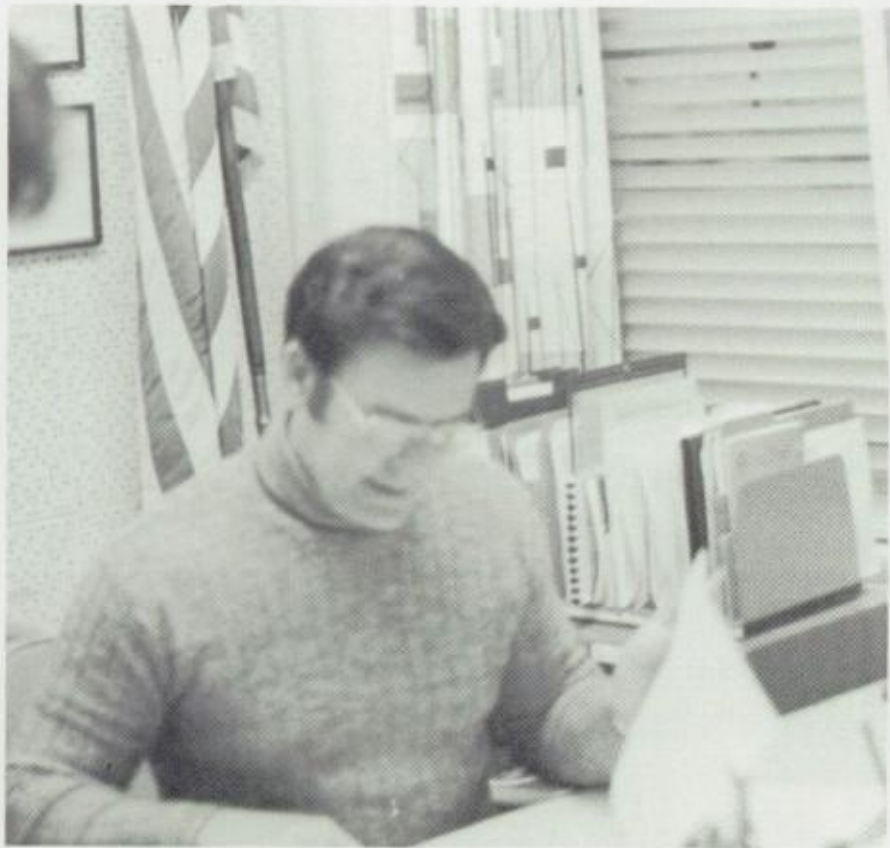

Mr. Purdy, Superintendent, works to keep the East Richland school district running smoothly.

Mr. Shafer, Assistant Superintendent, takes time out of his busy schedule for an Olean picture.

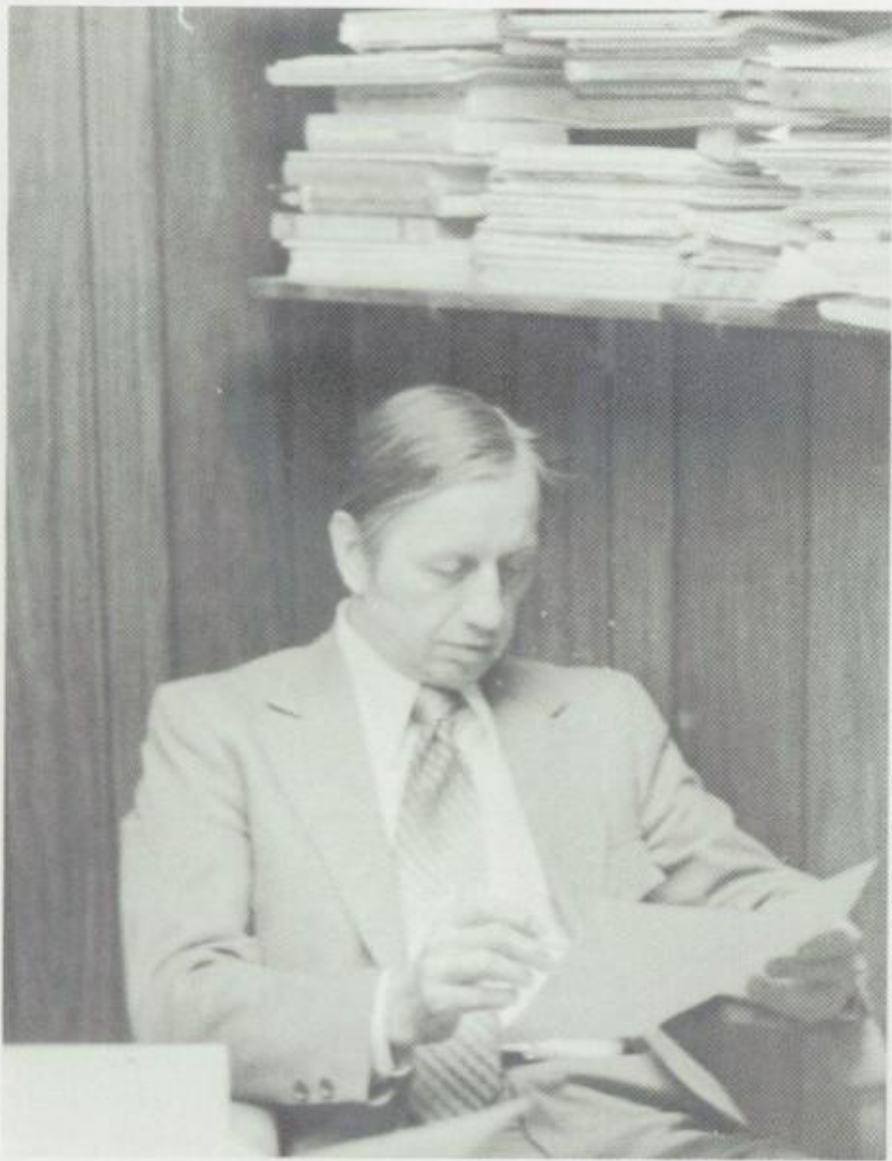

# Administration keeps school running

Mr. Rumsey, principal at ERHS, works at his never ending job.

Mr. Provines, assistant principal, takes time out from his work to help at the office desk.

Mr. Sliva, administrative assistant, checks his agenda for the day.

Administrative secretaries From Left to Right Are Mrs. Fleming, Mrs. Jennings, Mrs. McBride, and Mrs. Totten.

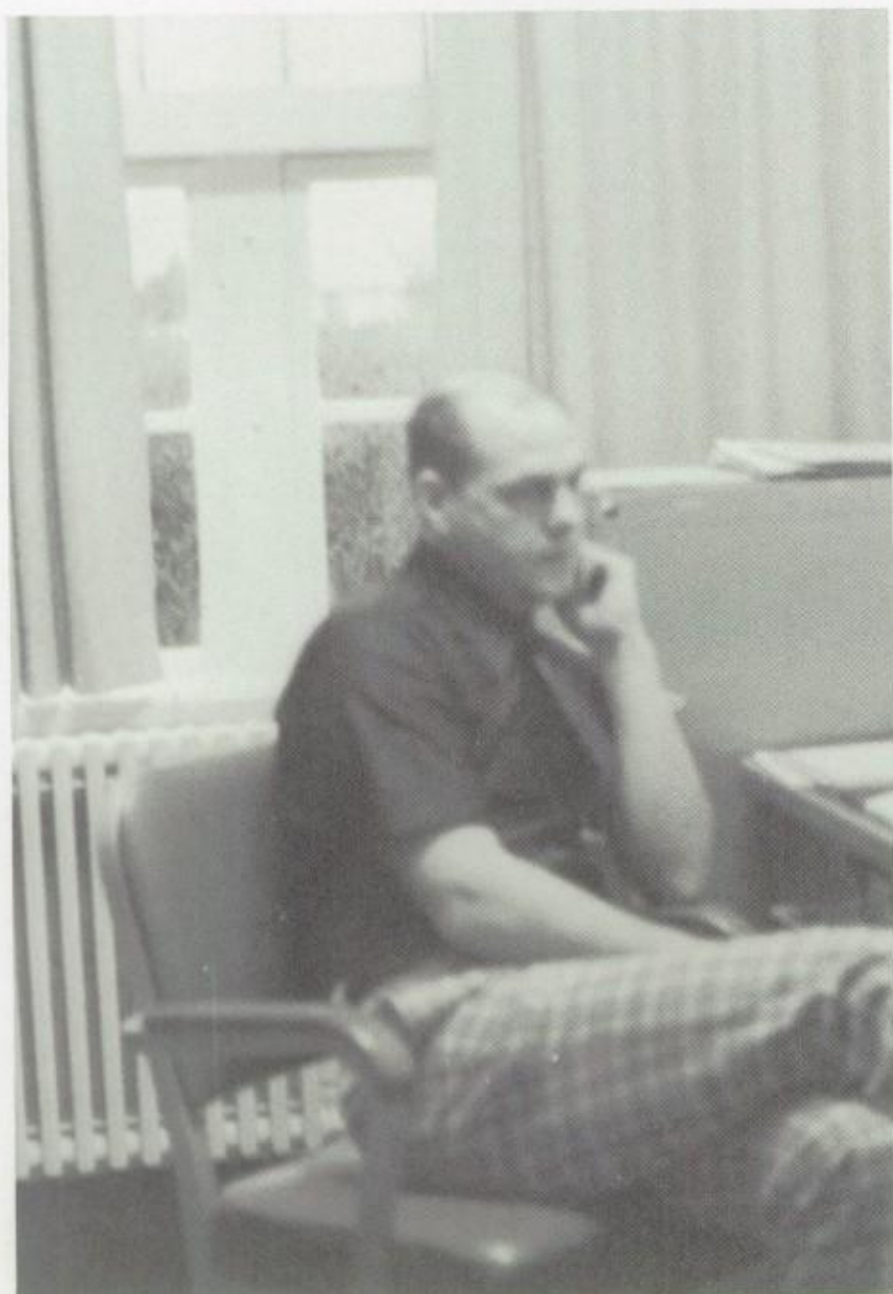

The Guidance Department was very important in keeping our school running smoothly. The counselors were responsible for keeping a complete scholastic record of each high school student. A student can go to the guidance office for information on colleges, scholarships, grants, or careers. With all of this the counselors still find time to visit surrounding grade schools and the junior high.

Mr. Ahlfield provides counseling for a student in need.

## Guidance Has Computer Scheduling

Left: Mr. Moyes is never too busy to lend an ear to a needy student. Below: Activities in the Guidance Office always keep Mrs. Foss busy.

Mrs. Lipe, Mrs. Treece, Mrs. Coons, and Mrs. King take time out to pose for a picture.

The E.R.H.S. office is more than just an 8:00 to 4:00 staff that hands out clearance slips, pass slips and tardy slips, they also help students, teachers, and even parents with any questions they might ask about anything. The office also takes care of any club business matters that occur and the responsibility of any other school activity such as ok'ing field trips and fan buses. The office is constantly kept busy taking care of these sort of matters and more. The office is one of the most important parts of the school itself.

## Office Provides Student Assistance

Left: Mrs. Lipe busily works on the account book. Below Left: Mrs. Coons waits at the desk for students needing office help. Below: Mrs. Lipe and Mrs. Treece find time to laugh while doing their work.

The band was involved in many activities this year. The Marching Tigers made fine showings at both the Eastern Illinois and University of Illinois Contests; and practiced long hours for their dazzling halftime shows at home football games. This year the band was involved in the Vespers Program for the first time. The band also played for school assemblies, basketball games, parades, and gave the usual winter and spring concerts. In Nov. several band members participated in the IMEA District Concert held at Charleston. This year the Jazz Band went to the Oaklawn Jazz Festival which was both a clinic and a concert. The Jazz Band also played at Pow Wow and various events.

The head band director was Mr. Dave Morrison, with staff members Mr. Rick Sibley, and Mrs. Becky Sliva. Band officers were Tim Kraft, pres.; Dave Welker, vice-pres.; Julie Blank, sec.; Patty Kelly, treas.; Dave Mastio, Kathy Tyner, and Sherri Snider, class representatives.

Mr. Morrison uses the megaphone to make sure he's heard clearly.

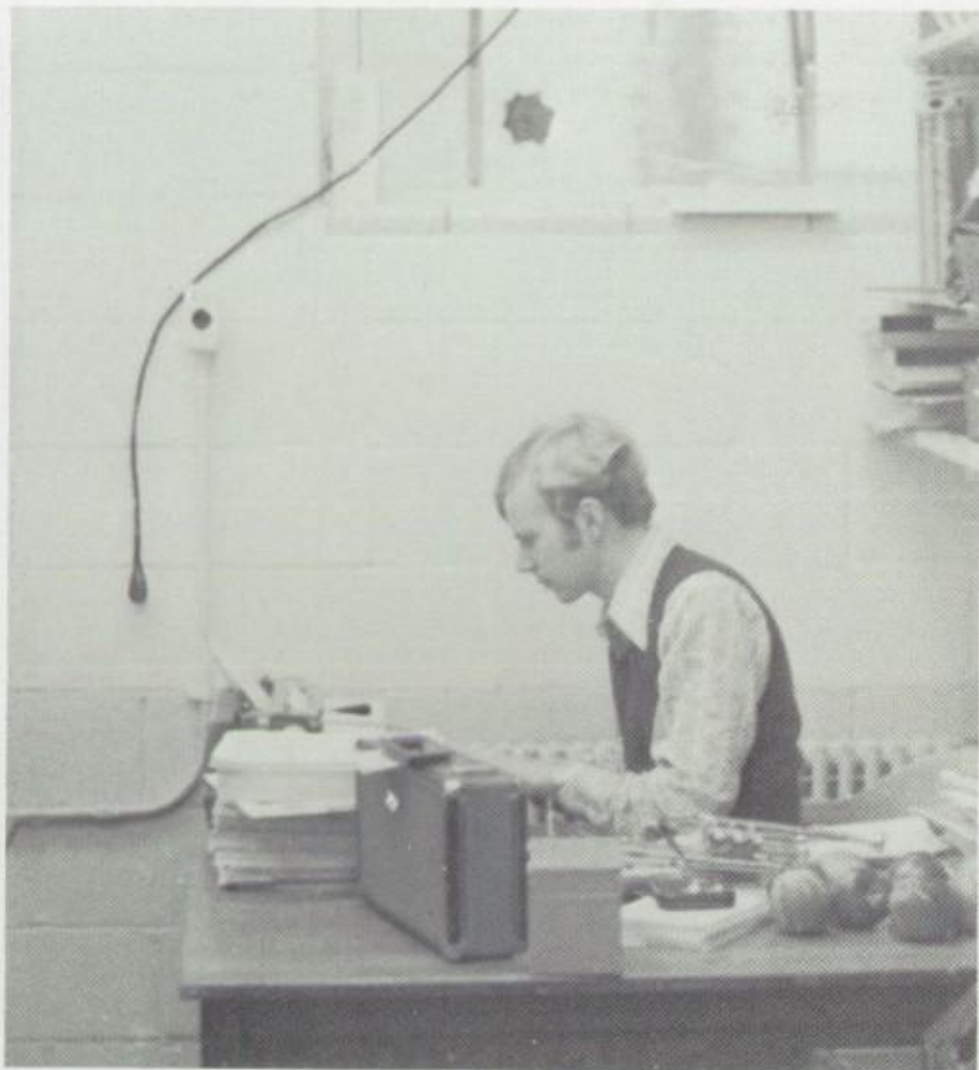

## Music Students Show Off Talents

Mr. Sibley directs fourth hour Concert Choir.

Once again the chorus and band members attended IMEA on October 27 and represented ERHS well. From these try-outs, six chorus members qualified to attend the All-State IMEA Festival held January 23-25.

Besides IMEA, the chorus performed for assemblies, concerts, and presented their annual Christmas Vespers program on December 15.

Officers for the '74-'75 school year were Doug Nicholson, President; Luke Robins, Vice President; Robin Vail, Secretary; and Carla Myers, Treas.

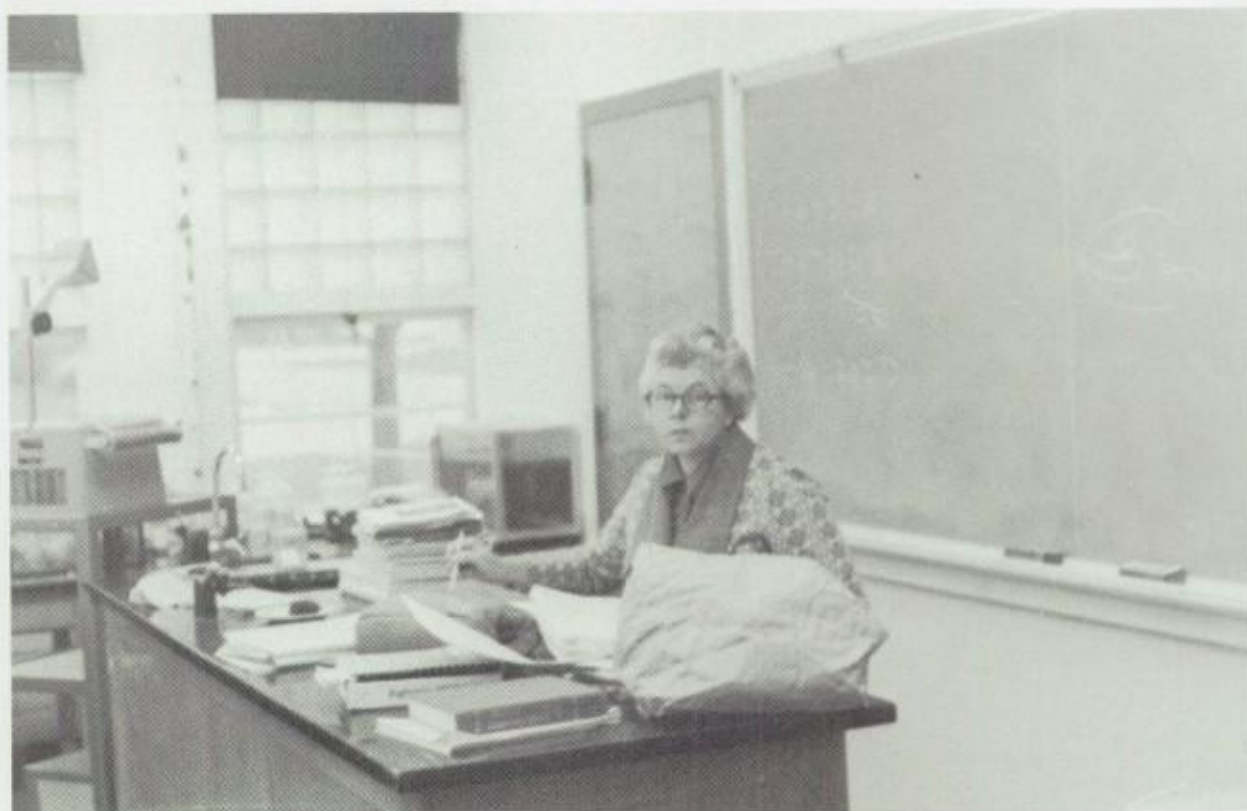

# A World Of Organisms

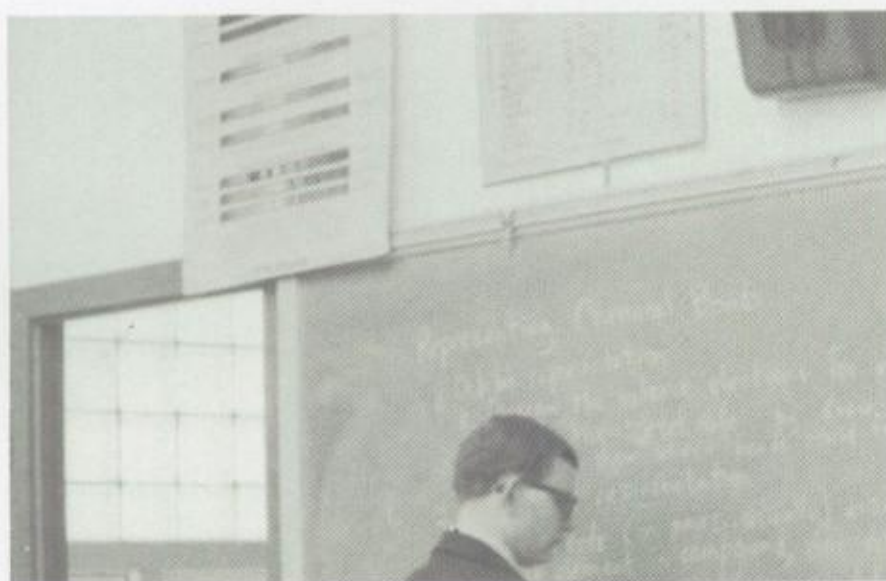

Biology students learned about the plant and animal kingdoms and the human body. All work was supported by lab experiences.

Ecology students studied problems of the environment. Field trips enabled the students to apply what they had learned in the classroom to current environmental problems.

Chemistry and Physics moved toward higher learning of science. Chemistry students were involved in the molar concept and making chemical calculations, the atomic structure and chemical reactions. In Physics students dealt with X-rays and cosmic rays.

Mrs. Shaw instructs her students in the field of Biology.

Upper Left: Mr. Atkins explains chemical bonding to his Chem. I students. Left: Mr. Redman and Mr. Atkins glance through the lab tables. Above: Tim Kraft and Luke Robins work diligently on their Physics projects.

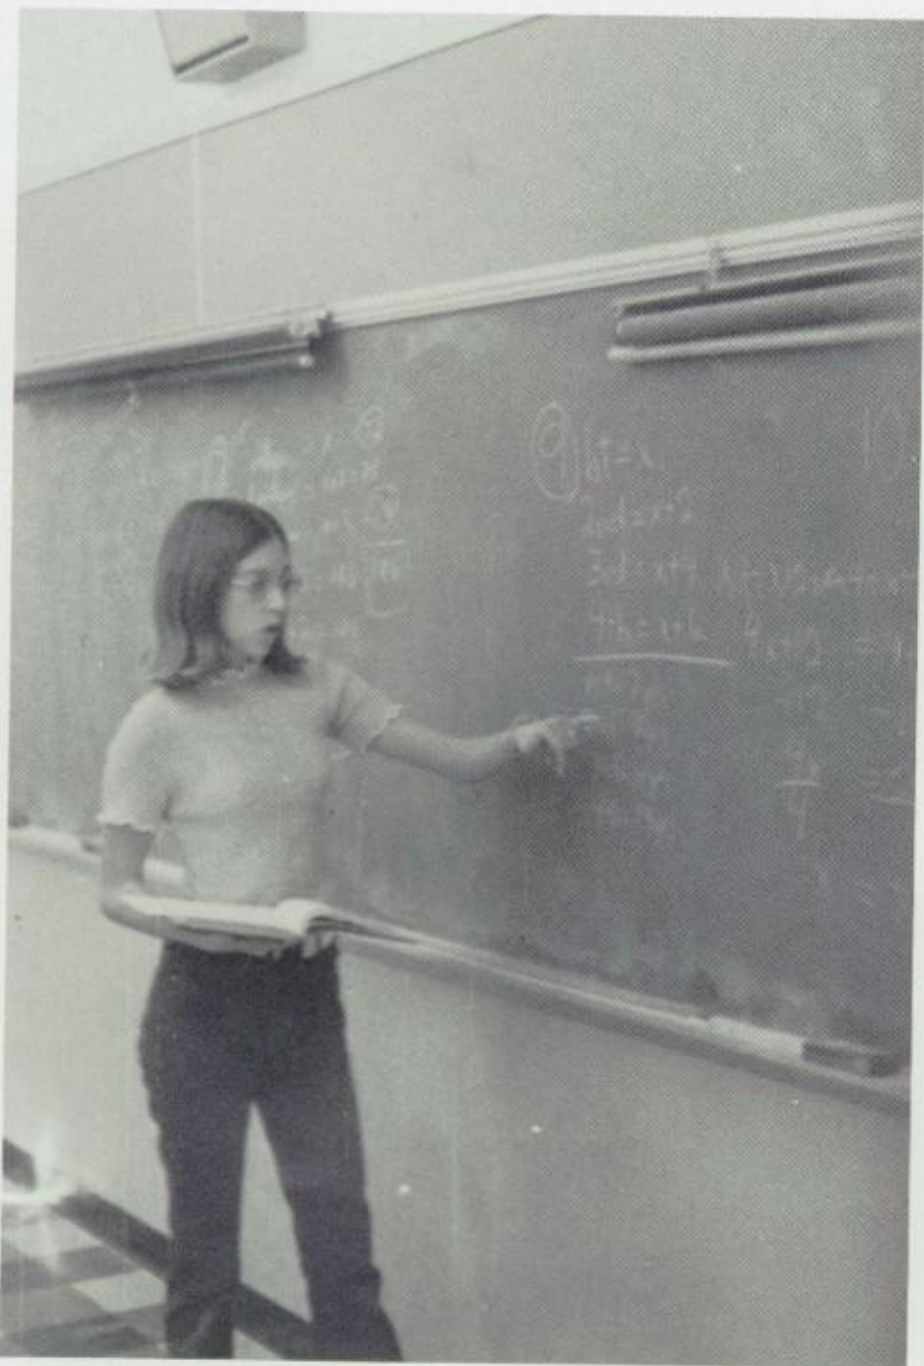

The Math Department here at E.R.H.S. has succeeded in obtaining new Advance Algebra books, which Mr. Read is struggling with this year. Mr. Redman is teaching all senior math this school year. New to the mathematics staff this year is Mrs. Murray. She teaches General Math and Algebra.

Also this year, the mathematics staff is working on writing objectives which help a student to know exactly what each different course in math will cover.

Mr. Read gives Jeff Koertge and Bill Barlow some extra help.

## Math = Numbers, Equations, Theories

Left: This student finds herself explaining her way of finding the answer. Below: Mr. Kessler is always ready to help his Algebra students.

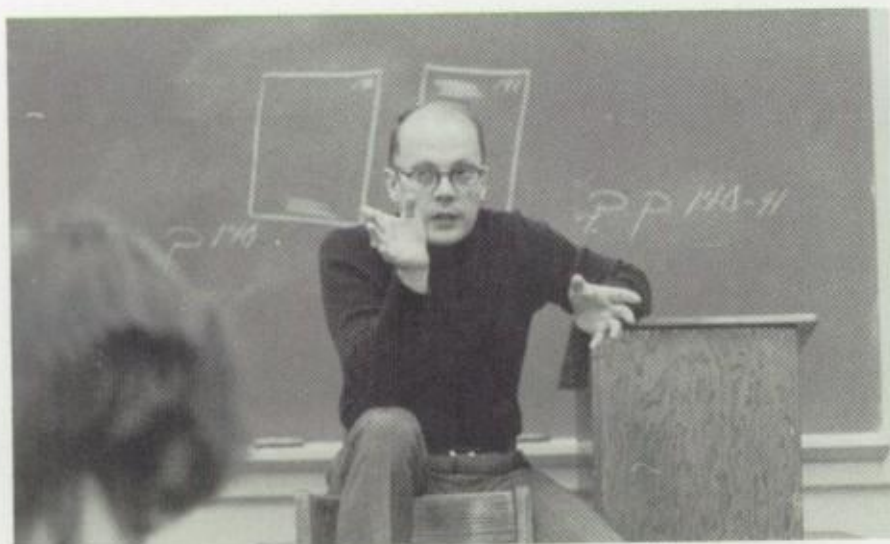

Like all other departments in our school this year the Communications Department has been working on writing learning objectives for each course in the department.

The subjects offered in the Communications Department are Comm. I, II, and III; General Studies Comm. I, II, and III; and Comm. III noncollege, an alternative to Comm. III College Prep, which are all required. A semester of Speech is required for freshmen. Comm. IV is offered to seniors. Speech and Journalism are offered to juniors and seniors. There was one new faculty member in the department this year, Miss Linda Guinn, who teaches Speech I.

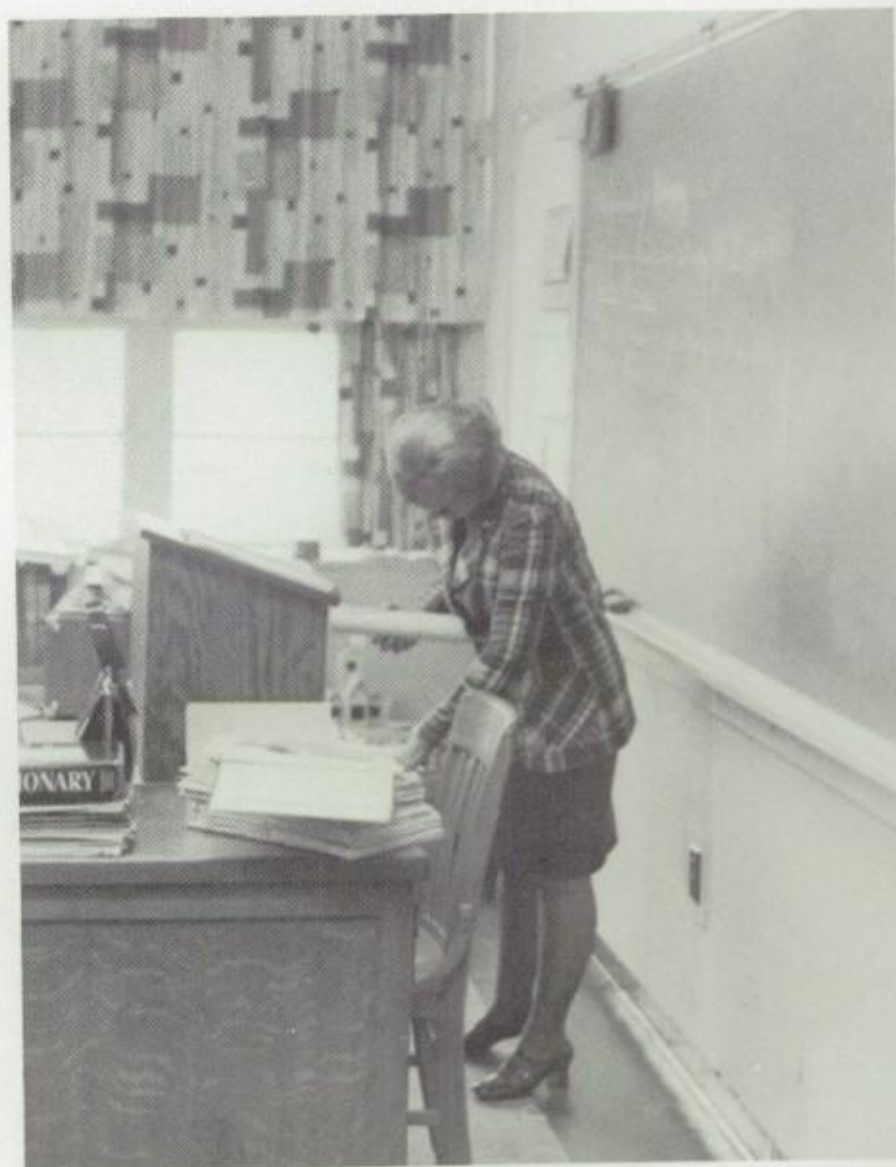

Communications II students seem interested in getting their assignment done.

## Communications For Every Student

Above: Mrs. Henline and Mr. Walters both try to make everything perfectly clear for their students.

Mrs. Flick looks in her drawer for a rubber band to keep her test papers together.

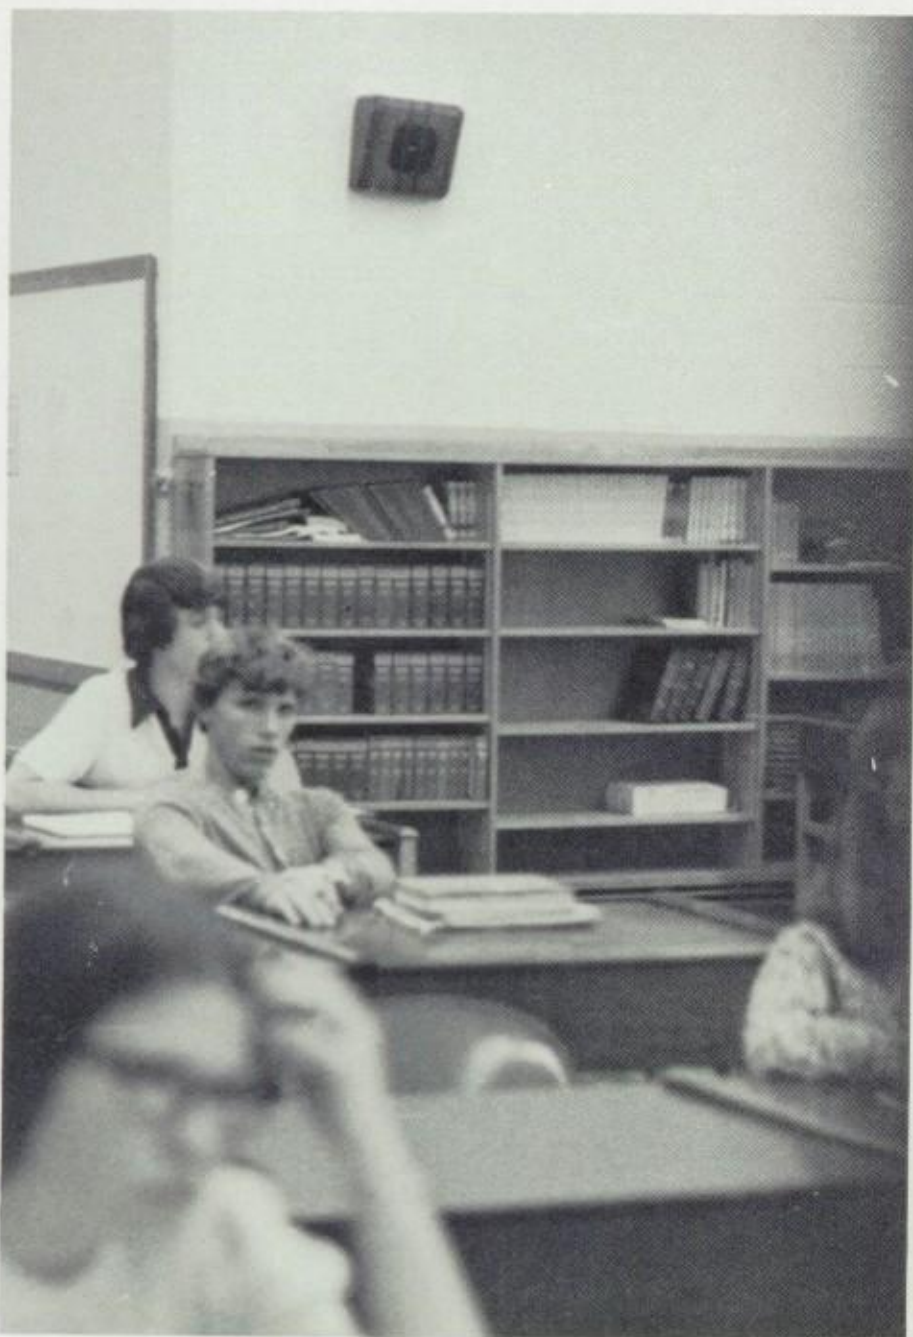

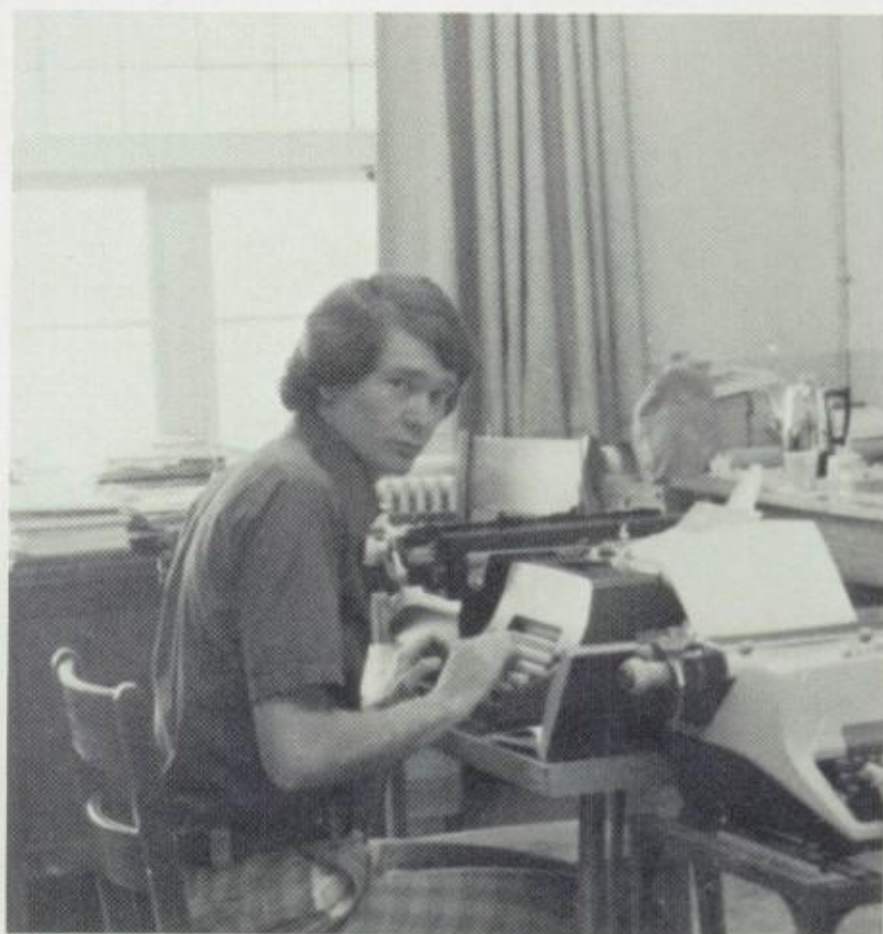

Miss Price goes over study sheets with her French II students.

Every student who has or is taking a foreign language knows just how different they are from our language. Every foreign language student must learn to think in terms of French, Latin, or Spanish instead of English. Through study of these different languages students learn much about the culture and civilization of other countries. Students involved in a language other than their own will soon learn how useful this knowledge will be to them in later life. Latin is almost essential for students interested in fields of law, medicine, and science. There is also much chance that students will come into contact with Spanish and French in later life.

## Foreign Languages — A Change Of Pace

Left: Dee Mehl seems to be all finished with his Spanish for the day. Below: Mr. Cartmill types up a test for his Latin students.

Approximately half the people working in the United States are employed in business. Many of these jobs in business are available to people with good high school training. Our largest job in business education is training people for these jobs.

Business Education serves three broad areas in education: vocational, college prep, and general education.

There are five different programs--selling, accounting, clerical, secretarial, and college prep--in which students may earn a certificate along with their high school diploma. This certificate will show that the graduate has completed ten semesters or 900 class hours of instruction in courses leading to this certificate.

Students in this typing class try their best to hit the right keys.

## Business Education Proves To Be Beneficial

Below: Mr. Stevens grades papers while his students work on their assignment. At Right: Mrs. Shipman uses her conference period to record grades in her gradebook.

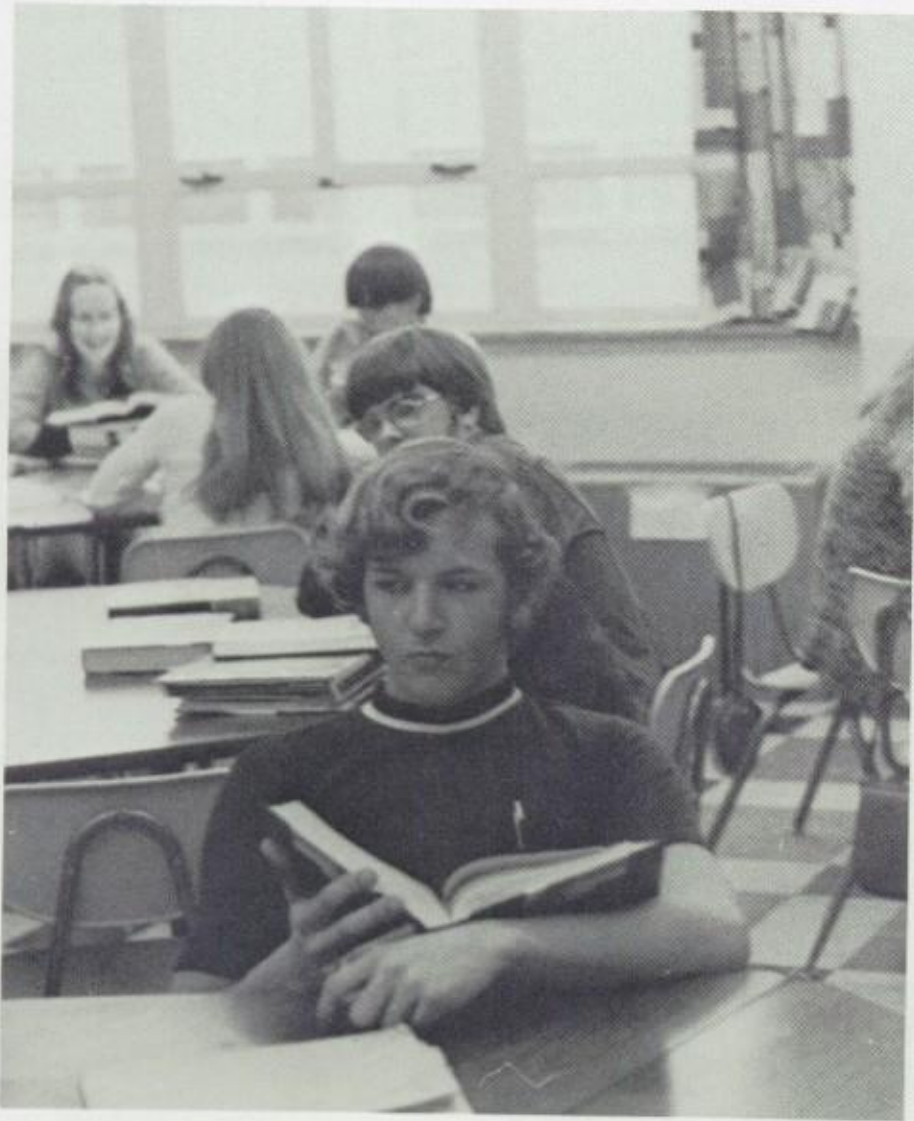

# History — Looking Into The Past

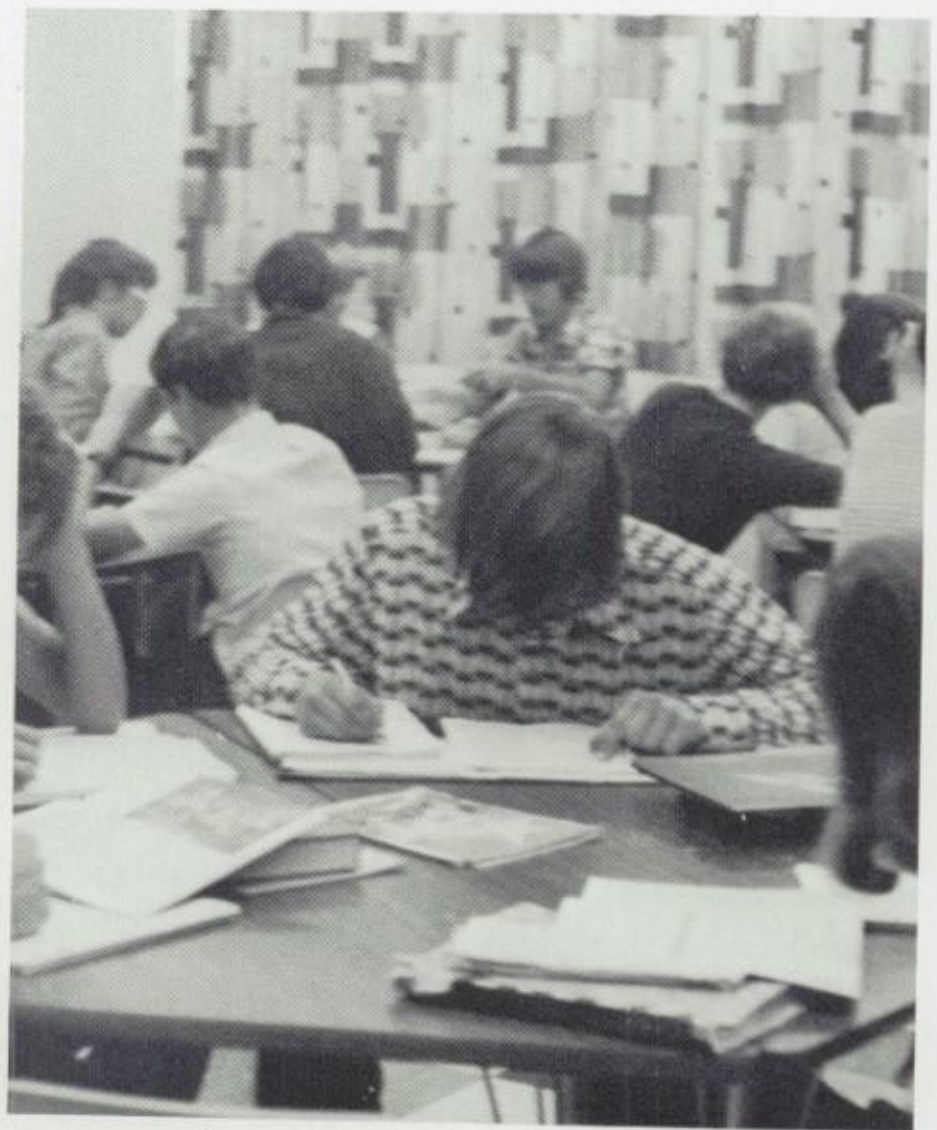

Mr. Woodward watches over his seventh hour American History class while they do their group work.

The social science department continued its efforts this year in improving our understanding of our past and our present. A new course offered this year, Minority Groups, was taught by Mr. Berkshire. It dealt with the problems of various ethnic groups in our society. It was a semester course. Other semester courses offered were economics, sociology, government, current affairs, urban geography, and cultural geography.

Jeff Fritschle leans back and prepares to read the next chapter in his history book.

This government class spends their study time well.

# Ag Offers A Variety Of Courses

All agriculture classes provided technical and scientific information and "on the job" training. Agricultural Science emphasized plant and soil selection, shop skills and livestock selection. Animal Science covered the care of livestock and the growing and harvesting of crops. Farm Business Management included the planning of crop and livestock programs, credit needs, and the marketing of crops and livestock products. Agriculture Mechanics involved welding, carpentry, small engines, electricity, surveying, masonry, and plumbing. Further study for students planning careers in agriculture was offered in Advanced Agriculture Management and Mechanics and Agriculture Occupations.

Mr. Whittington glances up as he takes a break from class work.

Mr. Washburn glances over student's shoulders to make sure everything is going right.

Bruce Schonert holds his head up with his hand while his neighbor is more intent on his paper.

Greg Ochs works on his project during his first hour class.

The Trade and Industrial Occupations Department (T and I) has course offerings in the Automotive Trades, Construction Trades, Drafting Occupations, Electricity/Electronics, Metal Occupations, and Printing Trades. A student in the T and I program starts by taking orientation type classes the first two years, the first being a course which consists of a 6 wks. exposure to each of the six areas named above, and the second consisting of two semesters of more advanced work in two of these areas of the students choosing.

If the student then feels that he is interested in continuing his education in one of the areas he then takes advanced vocational classes in that area his last two years.

## T And I Provides Valuable Training

At Left: Mr. Hinkel instructs Rick Hagen on the proper use of the machine. Above: This class group gathers around to make sure everyone can see the business at hand.

# Competition To Keep Physically Fit

Being physically fit is the P.E. department's job. This year they are teaching pinball, dodgeball, tennis, basketball, tumbling, volleyball, archery, speedway, and general (any activity that a teacher might want to teach on a given day.)'

This year the teacher doesn't have a set schedule. At the end of each six weeks they must decide what they want to teach next. But you can be sure that students will be twisting, running, pushing, jumping, and shoving until top physical fitness is obtained.

This girls P.E. class is just getting ready to start a new game of prisoner dodge ball.

It's the boy's day for the gym, and they're involved in a game of kickball.

Luke Robins waves at the camera while teams switch sides.

Mr. Hand gets back from another hour of student driving.

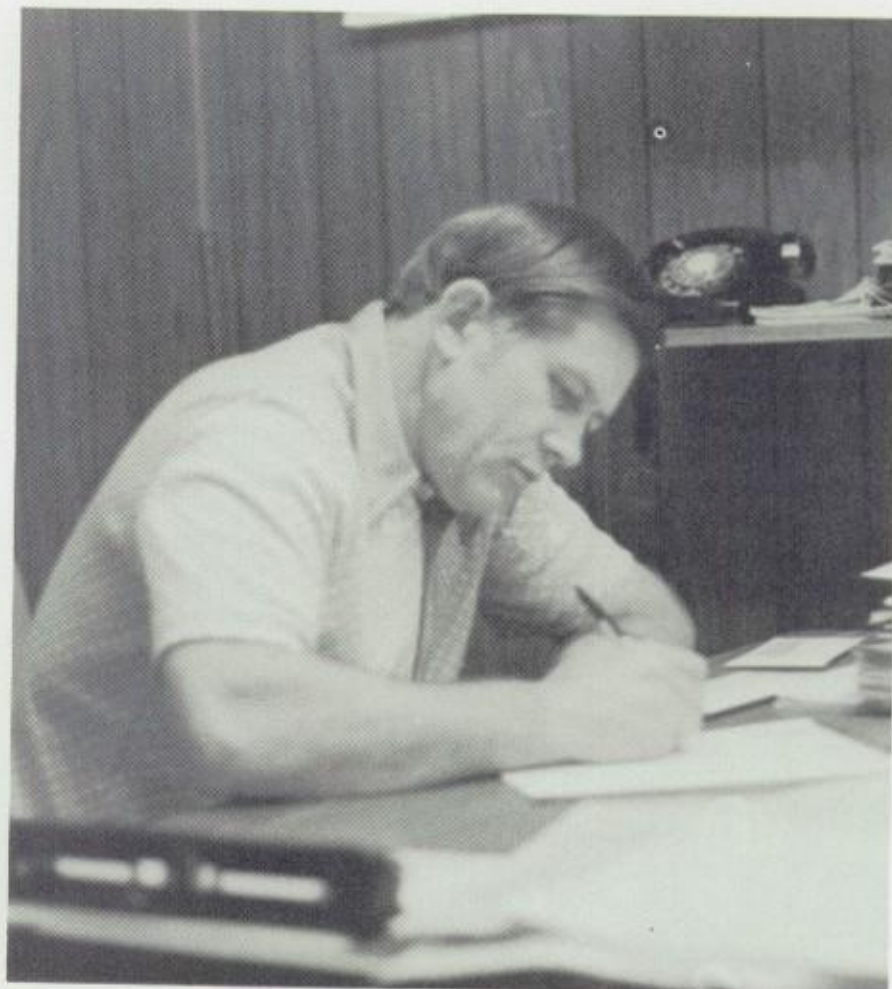

Drivers Education - when sophomores get behind the wheel and meet the road - is instructed by Mr. Hand, Mr. Herrin, and Mr. Corn. The course includes one six weeks in the classroom and six hours on the road. The classroom course includes films and other interesting works which help prepare one's self for actual driving.

The second part of the two parts is where instructors acquire their gray hairs and ulcers--the student driving session. The student driver meets the actual problems of the road and the required six hours the new driver is prepared to meet the problems with experience and sureness.

## Students Learn Rules Of The Road

Left: These novice drivers have the all important decision of who gets to drive first. Below: Mr. Herrin takes time from driving instruction to do a little paper work.

Health students seem to find the lesson for the day a bit humorous.

## A Sample Of The Medical Field

Health Care Skills, taught by Mrs. Willis, teaches its students about the Medical Health Field Careers that are open to them. The students study the requirement of the courses and careers, licensure or certification, and the variety of salaries paid to persons in this field. In addition to learning to take temperatures, pulse, and blood pressure, class members also learned the correct method of making beds and the correct way to give artificial respiration. Students also learn emergency care of the sick and injured, and nursing aid care. A field trip was planned to go to Eli Lilly in Indianapolis, Indiana.

Mrs. Willis waits for an answer to one of her tougher questions.

These two girls compare notes on their next assignment.

The many courses offered in the Personal and Public Service Department this year resulted in an expanded enrollment. In addition to the sewing and cooking, the department offered courses in clothing construction, food and nutrition, child growth and development, and housing and home furnishings. In addition to continuing with the orientation course for beginning students, department plans include an even greater expansion of semester courses for juniors and seniors to provide more specific vocational preparation. In this way the student will be more prepared for the way of life he or she chooses to go into.

## Vocational Courses Prove To Be Useful

Miss Ridgely looks around to make sure everyone is following directions.

These girls in Clothing Construction learn the proper way to sew.

# Art — Expression Of Creativity

Members of the Art Department brought their artistic talents to the student body this year with their attractive murals and show cases. Besides the murals and show cases, the Art Department constructed two floats, and the advanced students were kept busy with jewelry making.

Students learned to express themselves through the creativity of their particular art project. Art is offered on all four levels of high school, allowing a student to fully develop their artistic talent. The art room is located under the classatorium stage and many great works of art come out of this room.

Sam Koon in the foreground and other students work on their individual projects.

Below: This student is intent solely on the business at hand. Right: Students spend a lot of time working with their artistic talents.

Every student can find a relaxing and studious atmosphere in the IMC.

Crowded is the word from the Instructional Materials Center. Books are coming into the IMC everyday but there isn't any room on the shelves and there is no room for shelves. There needs to be another magazine rack and have the magazines for the periodicals in the front.

The "listening area" is improving over last year. There are more and better tapes and records, but the students have to stand in line to use them. The vertical file and the card catalog need enlarging too.

There are plans to build a new IMC. A bill should be passed this year by the city council to start building in the near future. This addition should help make a more studious atmosphere for the students.

## IMC Provides Records And Tapes For Learning Processes

Everything has to be kept in good working order.

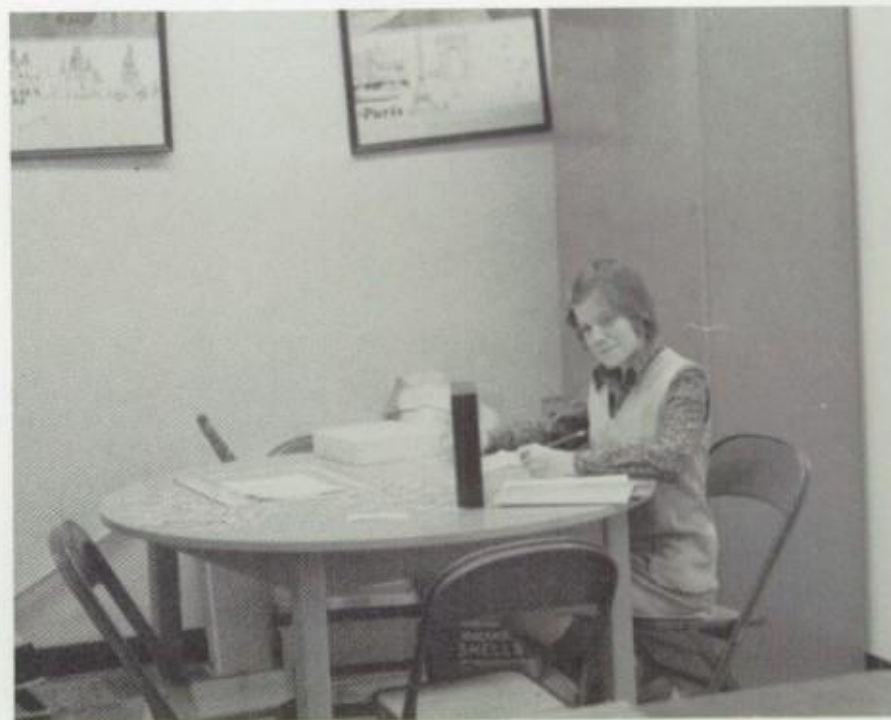

Mrs. Rice straightens up the books to keep everything neat and orderly.

These EMH students find it necessary to work over the sink.

Nancy Ochs works on her assignment.

## EMH — A School Within A School

The special education department has remained with a constant enrollment of 20 students; half of these students are engaged in a workstudy program within the curriculum.

This year the class has experienced a student teacher, a full time certified aide, Ms. Marge Beaird, as well as the special teacher. There are five seniors who will graduate in May.

Varied projects compose the special education curriculum such as craft work, carolling at Christmas, composing a class newspaper, planting flowers around ERHS and creative writing as well as basic subject areas, determined by student need.

The basic philosophy of the special education program continues to be that education should be useful and enjoyable for the individual student. This philosophy is shared by both the administration and staff within the department.

Left: Sometimes students find it useful to do their work on the floor. Above: Shirley Riley waits patiently for further instructions.

# Maintenance Keeps School In Order

## How you live is our business

Whatever is done — or undone — to improve the quality of our surroundings will require more energy, not less. And, while we have an obligation to provide that energy, we are determined to do so with a minimal effect on the environment.

We will continue working to help make each community we serve a cleaner, healthier, brighter place in which to live.

**We Would Like To  
Thank The Following  
People For Making The  
1975 Olnean Possible:**

ADVERTISERS-without these merchants our book would not have been possible.

SPIETHS-for pictures and processing of film.

HARRY HILLIS & THE OLNEY DAILY MAIL-sports pictures.

JACK PROPES-sports pictures.

TIGER RAG-pictures.

MRS. RICHARDSON-a big thank you for letting us work on the Olnean during journalism class and for all her support.

OFFICE SECRETARIES-for repeatedly getting us the key to the Olnean room.

MS. KOWALIS-for her never-ending support.

MR. RUMSEY & MR. PROVINES-for their help along the way.

CLUB SPONSORS-information on club activities.

MRS. HINKEL-typing.

JOSTEN'S AMERICAN CO.-for printing of our yearbook.

BOB GERETY-for understanding and helping us work out the problems.

MR. HINKEL & MR. MURRAY-to the yearbook advisors, for without them our yearbook would not have gotten off the ground.

OLNEAN STAFF-for their dedicated work when and where we needed it.

TOM COCAGNE-last but not least we mention him. We would like to especially thank him because he is such a great yearbook representative and without his continued support and confidence in us, this yearbook would not be what it is.

JUDY GINDER & KIM WEBER  
CO-EDITORS 1975

We would like to take this space to apologize for any errors, as they were strictly unintentional. We would also like to say to the people who made this yearbook one big hassle, despite you, we got our book completed anyway.

We the senior class of 1975, look back upon our four years at ERHS and recall all our fond and not so fond memories.

When we entered school in the fall of '71, we did not know what to expect of the next four years. As sophomores, we were more familiar with our surroundings and began to become active in extracurricular activities. The highlight of this year for most of us was the passing of our drivers test. By the time we became juniors, we felt as though we had really made the grade. First we got our class rings, and then a successful prom finished off the year. Every junior who in any way helped with prom should be proud of his fine achievements. Finally, the big year came. We were seniors. To most students this was the goal aimed at as a freshman. One of the greatest contributions made by the senior class was the stone tiger placed in front of the gym. This was made possible through funds donated by the class of '75 after prom committee. Although there was much controversy over this project, the seniors should be proud that their class was interested enough to donate this tiger to ERHS. Finally graduation came and we were no longer seniors, but on our own.

These past four years have watched us mature and grow into young adults. Hopefully what we have experienced here will guide us in the future.
